God is really blessing my ministry right now. He has allowed me to start a 10 week evangelism class at my church, and also the opportunity to have a weekly service at the local family shelter. Does any of the rest of you have ministries? God is moving in His people...

God uses me to minister at the Nursing Homes.
We had one saved today.
Praise His Name!

I'm glad God is using you.
May He continue to do so.
God Bless
Nellie
