so has anyone checked it out

Re:, on: 2008/10/24 3:47

I emailed them and told of my situation. Being in Korea, Christian material in English is hard to come by, so Reidhead's would be greatly appreciated.

yah i hope they can help you. They have been very kind to me. The material is like getting any of the top preachers material today. I wouldn't go as far as john macarthur, but he is very good.

if anyone wants you could just give me your address and i will relay it to paris's website and get the material sent to me. If you want books or cds tell me, they will give you as much as they have or a small amount. They are in the making right now to get another 260 sermons made onto cd and that nobody has heard before on this site. They are very friendly people and our such a blessing. They want God's word spread most of all. I highly recommend the evidences of eternal life the cds and book. God bless everyone.

Many thanks for posting this, I really love the teaching of Paris Reidhead. I have put in an order for the 4 books, particularly looking forward to Ten Shekels and a Shirt book. :-)

Re: - posted by bible1985, on: 2008/10/27 9:28

ten shekels and a shirt book is basically every thing that he preached the sermon. The rest of the books are really good too. I recommend that you ask them for some copies of ten shekels and a shirt so you can give them out to others, I already gave some to my church and others. It might take a few weeks before you get the material, I believe it took almost a month or 3 weeks, because they are very busy, it all depends on when they get on their computer, so it could be in a week you get it. I am here for anyone wanting the material, but I recommend if their are people you know who would benefit from it, to try to get it out to them somehow.

Wow...I was teaching at home two days ago when someone knocked on the door with a big box in their hands. It was from Paris Reidhead Ministries, with 7 books and 60 CDs inside...to say the least I was pleasantly surprised and very grateful. Thank you bible1985, I will be sure to get the best use out of them and hopefully hand them on to others also.

...mind you that I am in South Korea, so it made it extra special :-)

Wow, I was looking back and on "2008/10/24 3:47" you wrote that you had emailed them about your situation. In little over a week, they got 7 books and 60 CDs to you, in Korea no less. Praise God!! THAT'S what I call ministry! God is good!

Friends, we need to pray for this ministry.

I sent away to Bible Teaching Ministry a couple of years ago, and received a heap of books. In one of their newsletters they mentioned about only sending materials to ministries, due to some people abusing the privilege. When I read this, I sent an email to let them know that I am mere laity. Their response was.... another box of books. :-D

Re: - posted by bible1985, on: 2008/11/10 8:59

they send them to regular ordinary Christians.
