**{sermonindex.net newsletter} REVIVAL CONFERENCE 2008 GREENOCK, SCOTLAND LIVE WEBCAST!**

Saints,

I am currently in Greenock, Scotland with the Revival Conference moderators: Don Courville and Gareth Evans. God has opened up locally in the area the town hall facility which seats 1200 people and the spire of the hall can be seen anywhere in the town. The break out sessions will be in the oldest church in the city across the road, dating back from the 1800's. Church attendance in Scotland is almost down to 2-5% amongst evangelicals and sadly most of the youth are atheist and agnostic. It is a very dismal situation when looked at by men's eyes but from God's perspective there is great hope and He desires to send a revival that will redeem men for heaven!

The event will be live webcasted and we are expecting over 800 attendees from over 10 different countries at this point. More information can be found at: [www.revivalconference.com](http://www.revivalconference.com)

The dates for the conference is: November 25-27th, 2008, which is the tuesday to thursday. The event times are below and every session will be live webcasted so you can tune in world-wide!

Tuesday, 12:00 noon - 9pm GMT (7am - 2pm EST)

Wednesday 8:30 am - 9pm GMT (3:30am - 3pm EST)

Thursday 8:30 am - 9pm GMT (3:30am - 3pm EST)

the WEBCAST will be live here, TELL OTHERS: <http://www.ustream.tv/channel/sermonindex.net-live-webcast-events>

Also there will be a live prayer conference call from Greenock, Scotland at 6pm GMT (tues-thurs) which would be 1pm EST:  
(616) 712-8000 And when promoted enter this code: 968422#

You can read the letters from the moderators of the conference here: [https://www.sermonindex.net/modules/newbb/viewtopic.php?topic\\_id=26107&forum=16](https://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id=26107&forum=16)

Keep praying saints and may God visit us in genuine true revival for His Name's Sake.

Hello brother Greg:

Ryan, from New Brunswick here. Question: I can't tune into the conference during the live feed, due to time issues. Will there be any way to watch the evening sermons after they have been given, on the same day? ...say 2 hours later. Thanks for the help and the conference will be in our prayers.

in Christ,

Ryan and Evie

Thanking God for the wonderful works He is doing through the Spirit of His Word and the cries of His people in Greenock.

The Mayor's invitation for the speakers to come during the conference lunch break would be a remarkably unusual event in America.

May the presence of God fill the time and space of your time with the authority God has appointed over Greenock.

Oh Father, Let the newspaper report "Mayor and council members meet, welcome and pray with speakers come to seek God for revival in Greenock and Scotland." "Mayor asks, 'Is there mercy for Greenock?'" Mayor and Council cancel regular meeting and meet in Town Hall."

What is this about lunch with the mayor? Can someone give a little more info?

**Re: - posted by JoanM, on: 2008/11/26 11:02**

Praying now as the speakers go to meet with Mayor and council members of Greenock that the presence of God be made manifest in prayer, that they KNOW it.

Speakers were invited to come to pray for the city, will be given lunch. It was announced last night at close of service. Live web cast. Enter in brothers and sisters. Pray.
