Introduction - posted by turkvaiz (), on: 2004/8/4 14:41

I'm a Baptist missionary to Turkish gypsies in Romania and Bulgaria since 1995. Along with six other missionary families and fifteen national preachers, we've seen over eighty churches established. In these local churches we feed over a thousand needy children every day.

I appreciate sermonindex.net. The preaching has inspired me again to seek the power of the Holy Spirit and revival. I would appreciate your prayers.
