I just joined this site. Everything I see is great and I'm thankful to the person who made it. I'm familiar with most of the names and have listened to or read something from most of them. I live in VA and make periodic trips to TSC where I have several friends. I believe Greg, who I think just went there met my friend Dalcy. I also met Phil from Ohio on my last trip. Anyway, I look forward to reading more.

In Christ,

Mike

Welcome Mike

Come on in and make yourself at home. Like any family we have our moments and don't have 100% agreement for 100% of the time but the food is great, and all contributions to a varied diet are very welcome. The coffee's good too, almost as good as that I make myself. ;-)

Look forward to hearing your voice in the forum.

Yup! Dalcy sing in the choir for TSC and has been a part of the church for 8 years. I had good times of fellowship with him. ;-)

Thanks. I just haven't made the site but lots of other brothers and sisters in Christ has helped tremendously along the way. I am glad you found the site and I hope you are edified and built up in the knowledge of Jesus Christ.
