hello bros.& sis in Christ,

I need help from all of you who read this. Is there any video messages of zac poonen concentrating with this verse 1John 5:4? If not can you recommend someone else worth to listen. i need a video for presentation in the church...Hoping someone will reply on this.

Thank You.

hello reformer,

zac poonen's teachings and expositions of scriptures by the power of the Holy Spirit open my eyes of understanding regarding the Word of God. I am very eager to hear his practical examples about verses in the Bible that God shows my present relationship with God. Any other man of God you could recommend is welcome but just centering on 1John 5:4.

Thank You,
chris
