What is the perpose of our new youth brigade?, on: 2009/4/20 2:06

Quote from our Pres.,Â”We can not continue to rely on our military in order to achieve the national security objectives that weÂ've set. WeÂ've got to have a civilian national security force thatÂ's just as powerful, just as strong, just as well-funded.Â”

Â“People of all ages, stations, and skills will be asked to serveÂ….I will set a gold for all American middle and high school students to perform 50 hours of service a year, and for all college students to perform 100 hours of service a year...Â”

These are from Rules for Radicals by Saul Alinsky Â“The disruption of the present organization is the first step towards community organizationÂ…..All change means disorganization of the old and organization of the new.Â” and Saul Alinsk y, the MarxistÂ”organizerÂ” disciples mentored Obama.

Michelle Obama quotes Saul saying we will not stand for the world as it is and we have an obligation to fight for the worl d as it should be .This comes from the 2nd chapter of Rules for radicals.

You have to understand Marxism to under stand what is happening I would recommend reading the Rightwing extremist report by Home Land Security. I find the consistent association of Christian values with white supremacy extremely distu rbing considering Obama spent 20 years at a so-called church pastured by Jeremiah Write who operates in black liberati on theology. Jesus said judge a tree by its fruit.

Here is another Marxist quote Â“A really efficient state would be one in which the all powerful executive of political bosse s and their army of managers control a population of slaves who do not have to be coerced because they love their servi tude. To make them love it is the task assigned Â…to ministries of propaganda, newspaper editors and schoolteachers. Â”

This is a quote from Berit Kjos article Training a Socialist Army of World servers. It states Â“ThereÂ's nothing wrong with the old voluntary, personal service to the poor and needy. For centuries, Christian missionaries have given their lives an d comforts to serve God among the sick, hungry and dying people in distant parts of the worldÂ…..They demonstrated H is love ,shared His lifesaving truths , and brought hope as well as help to the needy.

ObamaÂ's new plan is quite different. Aimed at socialist change, it will raise Â“religiousÂ” boundaries, limit free speech, and band divisive truths. It must be tolerant of todayÂ's amoral values and militantly intolerant toward traditional values. And-like the tactics outlined in Saul AlinskyÂ's Rules for Radicals-it would use deception and Â“agitationÂ” to create con flict, and the Hegelian/Marxist dialectic process to manipulate minds and establish the planed solidarity.
