Pss.8: When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; What is man, that thou art mindful of him? and the son of man, that thou visitest him?

Kinda puts it all in perspective doesn't it? ... He's so big ... We're but specs of dust ... But He loves us! ...

Now how awesome is that?

Pretty awesome, too awesome to imagine.

Space is so massive, so beautiful, so hard to comprehend....and yet, the very hairs of our head are numbered. Let a little sparrow fall to the ground, and he's aware of it.

Yeah, pretty awesome.

Brother Rahman, you have outdid yourself again what a marvelous display of Gods power and greatness. I was in awe as I saw what our mortal eyes can see through an man-made object we I am sure are only grasping 1/1000 of the glory that is in the skies and heavens.

I was thinking of this song when I saw it:

Our God is an awesome God  
He reigns from heaven above  
With wisdom, power, and love  
Our God is an awesome God

And when the sky was starless  
In the void of the night  
(Our God is an awesome God)  
**He spoke into the darkness**  
**And created the light**  
(Our God is an awesome God)  
Judgement and wrath He poured out on Sodom  
Mercy and grace He gave us at the cross  
I hope that we have not  
Too quickly forgotten that  
Our God is an awesome God

Here is the music to it in midi:

i love that song ... Gives me chills everytime i hear / we sing it!

Feels like we're having church up in here! ...

It's what we all need, more fear, trembling, respect and awe of OUR awesome ALMIGHTY GOD!

AMEN.. "Judgement and wrath He poured out on Sodom, Mercy and grace He gave us at the cross"

What a beautiful contrast of the severity of the judgement of a holy God against sin and the Love of an merciful God providing a way of forgiveness and escape from Judgement. Truly our God is an awesome God. 8-)
