Saints,

The pre-prayer has begun. Tune in to pray for the evening service. Mark Greening will be sharing tonight. May we all meet with the living God and leave forever changed.

The sermons I have heard have been a GREAT blessing. I truly believe God has been merciful and is really speaking to us. I was at the meeting yesterday and the messages were very powerful. I am very very encouraged. The gentleness of these meetings have been a tremendous breath of fresh air. I truly believe the Holy Spirit has been revealed.
