Ken Ham, president of Answers in Genesis, will present powerful new research as part of our first-ever live video webcast addressing the current spiritual state of our nation. Find out the reasons behind the collapse of Christianity in the Western world, then participate in a live chat with Britt Beemer, founder of America's Research Group, and Ken following the webcast. They are the co-authors of the new eye-opening book *Already Gone*.

America has more Christian resources and Bible colleges than ever in its history, yet the nation is on a spiritual downward spiral. What has happened? Why is the church not reaching the culture today as it has in the past? Get the full report on June 25 at 8:00 p.m. as Ken, in his dynamic style, recounts the secularization of American culture and explains why we are losing generations from the church—why, in fact, they are already gone!

I'm sorry but when I first read the title, I thought the Subject line was a Prophecy of doom FOR June 25th. :-P

I was relieved to find it is otherwise.

Sorry to be silly but it did strike me that way.

This should be good. Ken Ham is very informative. I've heard him a few times on wretched radio and was blessed by the stuff he said.

I guarantee that the decline in the centrality and sufficiency of scripture will be one of, if not the main point.

Am currently reading the book Already Gone, and its gripping, and an easy read.

It's so telling how the churches are failing, much more than we ever imagined.

And sadly, I can say, I have seen with my own eyes what has been written in the book.

Many of us have.
