Saints,

I am excited to let everyone know I am going to be teaching at the Calvary Chapel Bible College in Germany:
<http://www.ccbcde.com/>

I am leaving at the end of August to live there for 4 months and the course I am teaching is: The Theology Of Revival And Spiritual Awakening.

I will be making all the classes available on sermonindex.net as I am going through and teaching this. This is a great opportunity to allow me to take more courses towards the completion of my 2 year bible college associates degree. And also will enable me to be present for the 2 Revival Conferences in the UK.

I appreciate the prayers as I am preparing the course materials and preparing to leave to live in germany for this season.

Also another opportunity that is coming together is to go to India right after germany to be present at Zac Poonens elder conference in Bangladore, India.

I am very undeserving of these opportunities God is giving me but thankful and keeping my hands on the plow.

I am flying out on friday for germany. I appreciate your prayers. It would be great if some brothers and sisters lift up in prayer the border crossing in the USA around 3-4pm EST. That there would be no problems, etc.

Re: , on: 2009/8/26 9:24

I will be praying, brother.

Re: - posted by sermonindex (), on: 2009/8/29 8:39

Thank you for praying saints. I have arrived safely at the school in germany. May God be pleased to send a fresh touch of revival even to the school, church and area!

May the Lamb that was slain recieve the reward of His sufferings.

May the Lord make known His wondrous works during your time in Germany, brother.

I have arrived safely in germany and am preparing my course materials to teach the course on: The Theology of Revival and Spiritual Awakening.

I will be posting all the materials for the class and public people who want to follow at: <https://www.sermonindex.net/revival/>

Re: , on: 2009/8/31 9:48

May the Lord Himself inspire your class through the Holy Spirit. May the students catch the fire of desire to see God move in a mighty way. Lord I pray that you would inspire my brother to teach with passion, to convey the lateness of the hour, and the vital role that revival has played in all the crucial junctures of history, and the crucial juncture we are now at. May the "fierce urgency of now," be imparted to the hearers so that the scourge of complacency amongst Christians will be shattered.....Frank

how wonderful. how wonderful. may God be praised...

Re: - posted by sermonindex (), on: 2009/9/6 15:48

Thank you for the prayers saints. Classes are beginning tomorrow. I will be teaching on thursdays. All the archives will be up promptly God willing at: <https://www.sermonindex.net/revival>

I am also working on a few book projects that I have been doing for awhile saints, I appreciate your prayers for the completion of these 3 booklets. I am endeavoring to be obedient to the Lord in publishing these. They will be published at: <http://www.wrtbooks.com>

Re: - posted by growingholly, on: 2009/9/9 22:10

what does wrt stand for?

Re: - posted by sermonindex (), on: 2009/9/25 13:22

-----what does wrt stand for?

It stands for Why Revival Tarries.

I wanted to thank all the saints that have been praying for me while I have been here in Germany. My time I believe has been fruitful though hard. I am actively working on a book project and have a few speaking engagements in Germany that I am blessed to be able to minister at.

I have finished week 3 of the revival class all the archives are here: <https://www.sermonindex.net/revival/>

I am praying about taking some opportunities to research revival history while I am here namely:

Austria: Gallneukirchen

Germany: Herrnhut

Prior revival just spurs us on to believe God for revival in our day. Our God can and will do it, do we believe it!?

Re: - posted by HeartSong, on: 2009/9/25 13:51

Quote:

I believe it. But sometimes I feel as if I am flying all alone. But then I look around and realize that I am flying on the wings of His love - and what better place is there than that.

Re: - posted by Aussiedler, on: 2009/12/2 9:51

I am believing for a real revival in Germany too. And I know God IS working currently in Germany. He is working in the hearts and there are some places where the believers start to seek conviction (of their own sin and not of the sins from other believers :-))

Re: - posted by Giggles (), on: 2010/2/5 21:46

Greg,

Are these classes you taught still available?

Re: - posted by sermonindex (), on: 2010/2/5 21:59

Sister,

no, I have decided **not** to make them available on sermonindex.net. there were 5 weeks that I did not teach because of traveling also.
