

Welcome & Intro :: Thank you, and request**Thank you, and request - posted by matt7 (), on: 2004/9/11 3:57**

Hello in Christ

This is a uniquely blessed website.

I am very grateful and overjoyed to be able to listen to these men of faith; faith worthy of imitating.

If anyone has MP3 Cds of some of these preachers: could you do a brother a favor and send me copies? I am a missionary leaving to the bush in Africa in two weeks, and don't have the time to download all these great sermons to take with me. These sermons will bless me greatly out there in the bush where there are no churches or churches without bibles.

Specifically, I am after Leonard Ravenhill, Tozer, Paris Reidhead, and Spurgeon. (And whatever else is recommended)

Equally, we have very many John Piper sermons (and some others not on Sermon Index) if you need any.

Yours in Christ

Matt

Welcome brother Matt! Praise God you found this site. That's a great idea to petition to members of SI for that purpose if you can't burn and download the sermons yourself. I wouldn't have the time to do it for everyone so I decline offers, but if other members have time then that really works out. If you have any chances spend some time fellowshiping in the forums, God Bless you.

Also if anyone has pocket New Testaments they would like to send to Africa (English/Somali/Arabic) it would be a huge blessing.

Send them here:

I want to list the sermons I have sent to Matt so that no one sends duplicates:

- 2) Living Sacrifice by John Piper
- 3) Prayer to Obedience by Carter Conlon
- 4) Repentance in KC by Andrew Strom
- 5) Fear of Man by Phil Delre
- 6) Help Wanted by Phil Delre
- 7) How to be On Fire for God by Todd Friel

Hi Matt!

And we are uniquely blessed to have you here. It would be an honor to get these messages out to you before your trip. Should be able to keep you quite occupied and then some. Look for them shortly.

By the way, great site you have there...

Hey Matt,

If there are additional sermons you need, please let me know. If they are in MP3 format, you can fit a bunch of them on a single CD but you would need to play them on either a computer or a player that will play MP3 files.

Please let me know if you need some more and I'll be happy to mail. I put over 30 sermons and videos on the topic of revival on one CD.

More importantly, than this God bless your ministry. How many Bibles do you need??

I put each of mine on a single CD. I assumed you wouldn't have computer access?
