I have re-vamped the support page and gave it a quick new look and also alot more options and clearer instructions on how to support this ministry financially. I have implimented the new 'sponsor a sermon' feature, I hope it works well and its straight forward for people to understand. Thank you to all that are supporters of this ministry thus far.

Just an FYI for everyone, I have updated the support page to include a second physical mailing address for sending in cheque dontations. The new address is:

SermonIndex  
306-N West El Norte Pkwy. #137  
Escondido, CA 92026, USA

and also you can find the other canadian mailing address here:
