Please pray for my Friend {She's Critical} - posted by Nellie, on: 2009/9/6 14:03

Please agree in Prayer with me that God will touch Debbie Blasko.
 She is in ICU, unresponsive.
 She's a Christian.
 Pray God will heal her.
 I haven't been able to go to the Hospital since my Husband died, but she can't have Visitors anyway.
 God Bless each of you, and Thank-you.
 Nellie

I will be praying for your friend. You just keep trusting in your God and believing in Him and HIS abilities. He is not hindered by time, distance and space like we are. The Lord Jesus Christ healed my daughter of epileptic seizures. He also healed a friend's son of a terminal blood disease. Our God is a good God. Full of grace and mercy. The Word says that with His Stripes we are healed. Jesus said that ask and you shall receive. Heavenly Father we ask you in the name of Jesus Christ to heal Debbie from the top of her head to the toes of Her feet. We believe you Jesus for a creative miracle. We bind this attack of the enemy, off of Debbie's life. I speak the resurrection life of Jesus Christ into her heart and mind, and body. We thank you Lord for what YOU WILL DO IN THIS LADIES LIFE. We release the blood of Jesus Christ over Her soul. In JESUS MIGHTY name. Amen
