Hi Greg. Thank you for posting these so soon!

When I try to access either of these sermons the server just hangs. Loading, loading, loading, but never does.

I can navigate other places but not here. Just letting you know in case something's wrong besides on my end.

Hi Greg,

Really appreciate the speed with which you've posted these.

Can you give us any information about the webcast from Wales, or, any changes to the timetable?

Many thanks.

Brother Greg,

I just want to say a BIG THANK YOU for all you did in coordinating these conferences. They were tremendous. Every speaker was anointed of God. Each brought a piece of the whole needed to prepare us for what is to come.

God is clearly moving amongst His people. The part that He has given you to play in what He is doing is very instrumental.

Thanks again

Charmaine- a servant of the Lord

Saints,

I am still working on getting 2 more messages up. Brian Long's message and David Legge's last message. Thank you for your patience also for waiting for the videos.

Hi Greg,

I was going to ask you if the brother who spoke (unplanned) during the Wednesday morning prayer time was recorded. Was that Brian Long? If so then great you have it.

My thanks to you and all the others who put in a lot of work to put this conference on. It was good to meet you and some of the other brothers there.

Re: - posted by sermonindex (), on: 2009/11/23 16:52
