what is this life compared to ,than temporary dwelling place  
beautiful and wonderful city is awaited for all who finish labouring in his field  
Days,months and years are the only way to reach the company of saints  
still little more patience is needed to live holy and faithful  
has not christ died on the cross to give us the life of his own?  
march oh! saints neither the heat of the sun nor the darkness of the night shall not harm you  
for we are more than conquerors through the one who loved us and laid down his life for us with out any reserve.(rom 8.31)
