Fear of the Lord - posted by Mattie, on: 2004/10/4 22:50

friends, lets remember that through Scripture men and women of God fell incredibly hard. david commits adultery, kills t he husband and holds it all in for ONE YEAR before nathan exposes him. while God in His sovereignty chooses to destr oy some early, Bro. Swaggart is still breathing, therefore if we truly fear God we will pray and not gossip. When you thin k you are standing, take heed lest you fall.
