Hello all,

I have a friend (an elder sister) who moved recently in Cornwall, New York - http://en.wikipedia.org/wiki/Cornwall,_New_York

We need a help or assistance, with transportation to Times Square Church. Do you know anyone who lives in that area and can help?

You can write here or send me a Private Message so I can give you more details.

Also if you know some other godly fellowship in that area, let me know.

Thank you,
Kire

I know this reply is late and I hope you got your ride to the Church there. I have giving to that Church for years now and even though I have been on the other side of the States I know if you called the Church there would be someone in your area that would help get you there. God Bless - you are in a great Church.
