{sermonindex.net newsletter} MAKING WHOLE HEARTED DISCIPLES

Saints,

This has been a busy season with many changes happening on many levels with sermonindex. A choice was made to make sermonindex ad free 100% This means that all the costs to run this ministry will be through simply the support of saints that feel led to give to this ministry. Many other changes will be happening in the upcoming months. The featured sermon message is: "Making Whole Hearted Disciples by Zac Poonen" I was able to hear this message live in India and feel it is a very important message for many to hear.

2. EVENT: Upcoming Victoria Revival Conference

A choice has been made to just run one more revival conference for 2010. The location is Victoria, Canada. We are excited about some of the anticipated speakers and the interest shown in Canada. Some of the speakers are: Charles Price, Don McClure, Richard Siple, Mark Greening, Clayton Dougan and others.

3. SERMON: Making Whole Hearted Disciples by Zac Poonen

Brother Zac Poonen gives a very strong prophetic message on the need for discipleship in Christendom in our day. This is a clarion call for repentance for leadership in Churches to start to disciple their converts and build the body of Christ. It is not enough to just have a church full on Sundays we need to see discipleship and whole hearted believers living for Christ daily.

I wanted to let you know that brother Mike Balog is stepping down from the forum moderatorship on SermonIndex.
