Saints,

Is there anyone that can help me with a small project of digitizing and encoding 5 tapes into mp4? It would be great if so meone who has already done this volunteer for this job. I would send you the VHS tapes in the mail.

thanks for the help body of Christ!

Saints,

Also I have 2 videos that are on DV tapes that need to be digitized, edited and put together! Please let me know if you c an help with either project.

Saints,

I still need someone to help both with the VHS and also DV Tapes, let me know if you can do both or either!

Saints,

I believe the VHS tapes are taken care of.

I just need someone to help take 4 DV Tapes and edit them together and send me the mp4 digital file.
