Dear SI saints,

Can you please pray for my 9 year old daughter ? A friend of hers attends the weekly kids program at our church and this friend is not a Christian. However, she has requested that tonight my daughter come over to her house to tell her about how to become a Christian. Please pray that God will bring about a miraculous change in this young girl's heart. Your prayers are much appreciated :-)

In Jesus,  
John

What a blessing! John said "I have no greater joy than to know my children walk in truth." I will pray she has the wisdom to share that Truth to the glory of the Father.  
REJOICE! =)

Hallelujah I will certainly pray. God is using the little children these days in wonderful ways.

Thanks very much for praying, guys. I'll let my daughter know that you are praying for her ! It's so cool to know that believers in Christ who live miles away and may be in different countries or possibly different continents, are praying, We all have instant access to our God.

What a blessing the body of Christ is =)
