Dear brothers and sisters, I have for some time and another brother (mostly another brother) been working on a swedish version of sermonindex, although most of you dont understand swedish you are welcome to check it out ([www.predikoindex.com](http://www.predikoindex.com)) [www.predikoindex.com](http://www.predikoindex.com)

Also there will be a few Danish and Norwegian messages since the languages are similar. So if you encounter any Scandinavian people on your sojourning you know where to direct them. There is an english speaking forum for guests and mainly for people visiting sweden or studying there and dont speak swedish.

Do pray God will be glorified through this site and many hearts will be stirred in my part of the world to proclaim the gospel to a lost and dying world.

Thank you all and God bless you

brother christian

I can't read Swedish, but I think I want to now. Very clean, bright feel. I like it!!

God bless you, dear brother! He will reward your labor of love! Your many hours of labor in this project are not in vain, but will abound in an eternal harvest for the glory of Him who deserves all the glory and honor.

Hallelujah!!! May His word be preached in every language on earth!

Praise the Lord He is faithful. Brother we pray that the Lord will greatly use this new language site of SI.

I know some of those speakers (very good!) and trust God will use them in many lives.

God bless you brother Christian....
