Saints,

I ask you to please fervently pray for this seminary (mormon, lds) professor **Michael Cooley**. I had a 3 hour time with him and feel that the Lord is going to draw Him to Himself as an example of mormons that can be saved in Utah. I was in Logan, UT where it is over 60% mormon!

Pray for this man and commit him to pray daily for a period of time saints! Oh that God might save souls, is he not able? Let us pray!

His name is **Michael Cooley**

God can show mercy on any who accept the true Gospel of Jesus Christ. Let us pray for this man as if it were us who were without Christ!

In just a few days I will be sending Michael Cooley a letter sharing the gospel with him, and with some other articles attached that address some issues that came up when we spoke with him.

Please pray!
