Â... I Shall Fear NO Evil!

No evil men  
No evil spirits  
No evil authorities  
No evil speakings  
No evil opinions  
No evil rumors  
No evil suspicions  
No evil agreements  
No evil conspiracies  
No evil attacks  
No evil plans  
No evil circumstances  
No evils at all

With no fear  
I will not fret  
With no fret  
I will have faith  
With faith  
I will please God
