

## Miracles that follow the plow :: Praise report on two fronts

I want to thank you all for your prayers for my son-in-laws father. They were about to unplug him and let him die and after prayer all his symptoms are about gone. Even his kidneys have begun working again, a thing the doctors said would not happen. He is also starting to communicate with his family again. I am giving God all the glory. Hallelujah.

Also you have been praying about the move of God among the young people at our church, and it is growing stronger. More commitment and more getting saved. The boys are still meeting every Monday night, and now the girls are meeting on Tuesday nights. They also have about 30 to 40 between the ages of 13 and 25 and a few older folks thrown in for good measure. They are worshipping, praying, interceding and repenting. God is definitely moving in a wonderful way. These meetings are not social clubs but focussed on seeking the Lord. They want more.

Thank you for praying. Praise the Lord.
