Need a recommendation - posted by Areadymind (), on: 2010/3/7 18:45

Could anyone recommend a book on the topic of Hell, I cannot say I have frequently seen it as a New York Time bestsel
ling topic, neither have I ever seen a well written book by a well respected believer on the topic, covering the Jewish cos
mology, all the way through the prophetic/psalmic references, culminating in Christs references, along with doctrinal stat
ements about it.

If anyone has read anything worth sharing in book form I would appreciate it. Thank You

In Christ

-Jeremiah

Half-way through the book Greg, and it is definitely broad in its coverage of the topic. I am grateful for the recommendati
on...but to be honest this book is tearing me apart.
