### Best Christian Video's on YouTube - need submissions - posted by NationPains (), on: 2010/3/17 13:09

I need your help again. I was looking for a list of good Christian videos on Youtube, and to my surprise there are none.

So with your help I want to create one. Send me the link to the favorite(s) of your choice and I will consider adding it to the list.

Any type of Christian video is an option. Whether it is a sermon, compilation, inspirational or humorous.

It will be hosted on (<http://www.NationPains.com/blog/>) Nation Pains

Hi,

you are free to use any of the 2000+ videos on the youtube channel: (<http://www.youtube.com/sermonindex>) <http://www.youtube.com/sermonindex>

bibletube.tv mostly takes them from the sermonindex channel also.

Why don't you try sermonaudio. It has a very large collection of very good sermons--can be sorted by speakers/topics etc. There's also "desiring god" website whose pastor is John Piper and you can get free sermons/articles there--also can be sorted by topics etc.

I'm not just sharing this because I make it, and as a result, like it... I just happen to think it is a good video.

That's the truth. Although I have no idea what the cost must be to uphold a site as large as that, I was disappointed when they increased their ads so much. A couple of them are even unclear.
