Hi to everyone. Hugs and Handshakes all around.
My name is Dennis.

I've just registered here having a real love for the 'olde-Time' preachings of bygone days. Where the urgency and love of the congregation was alive with the Holy Spirit and convicted would-be believers of their sin before a Perfect and Holy God. That Jesus is the answer to EVERY question we have in our souls, and the Bible is the True Word of God to us, so that we can find Him. I don't know how often I will be posting but I want to participate as much as i am able.

I believe the professed believers, who are attending a Bible believing, Christ centred church, are obligated to serve the church building as best they can to the Glory of God in their humble works of love toward the congregation.
