I don't live in the East, how easy or hard would it be to take a train to Times Square Church or to drive from where you are at?

Have you heard Carter's testimony, "He Lives in Me?" Here is the link for it if you haven't....

I would drive, ride any distance to get to David Wilkerson's Church. I will be praying the Lord will guide you to where He wants you. Amen and Glory to God.
