An Invitation to Call Our Nation to Worship, Prayer & Remember
The LIFE of JESUS in Keith Green on 7.28.10
with Melody Green, John Dawson & Friends

Dear Pastors, Ministry Leaders & Intercessors:

Would you consider calling the believers in your city, state & across our nation to gather locally for worship, uncommon prayer & to remember the "No Compromise" LIFE of JESUS in Keith Green on Wednesday, July 28, 2010, 6:30pm-10pm (in your time zone)?

Why 7.28.10?

Keith Green went home to be with the Lord on Wednesday July 28, 1982, at the age of 28, and this July 28th (also on a Wednesday) marks the 28th anniversary of Keith's home going. Although I can't find any significance in the number 28, I am confident that our Father is poised to take this opportunity to receive our lives as joyful sacrifice for His Son and commission us to an unprecedented harvest and discipleship that is centered on the Father Heart of God.

Why Keith Green?

As we remember and learn about the LIFE of JESUS in Keith Green, we will recognize that the same Spirit in him is also in us! God desires for us is to live in His love & power, and invite the Spirit of God to penetrate into the deepest part of our hearts as He did in Keith's. We also need to be "Awakened in the Light" and seize this opportunity to invite the prodigals back to our Loving Father and encourage the youth of today live for THE ONLY CAUSE worth living for.

With Melody Green

On July 28th, Melody Green has agreed to join us, via live Internet connection, during a portion of this nationwide gathering. I believe the Lord will be glorified through Melody & a few others who were close to Keith, as they testify of the reality of God in his life. One of Keith's best friends John Dawson, President of Youth With A Mission, will join Melody in addressing us. We must be willing to totally surrender to the Holy Spirit as we choose to walk intimately with Christ and become a people of integrity who will bring heaven to earth on a daily basis.

Meanwhile...
