The Winkie Pratney Revival Study Bible - posted by sermonindex (), on: 2010/7/22 23:34

Saints,

winkie pratney put many years into this volume, definitely a great resource for the student of revival.

from the website:

he Revival Study Bible is available to order NOW. Thanks to EVERYONE who has been praying this dream into reality. I talked to Winkie a few nights ago (he has held one in his hands and says it is beautiful - please read his most recent blog post) and got an email from the publisher in Singapore as well. The first printing was 5,000 copies. Let's help make a dent in that and pray that God uses this labor of love to spark revival in our hearts, the hearts of others, the entire country and the world.

if there were a section with graphics, I did not see it. I'd be interested in seeing the inside and some of the sample information.

I had dreamed about it too. The possibilities are rich in how such a study Bible could be done.

Okie, now, getting down to brass tacks, what is so special about this bible?

What are your opinions?
