

## Scriptures and Doctrine :: Joshua 4:16

**Joshua 4:16, on: 2010/8/20 7:40**

Is there a deeper meaning to 'the ark of the testimony' in the context of Josh 4:16, which appears in the narrative both before and after this mention, as 'the ark of the covenant'?

It leapt out at me and therefore seems significant. But in what way?

Thanks for any help.
