I have found Alan Bartley Sermons on his Podcast but it has not been updated for along time? and his sermons on other sites?

Does anyone know whether he has more sermons? As I have listened to all that I can find on the Internet?

Not sure if you have already seen these:

[http://www.atthebarn.co.uk/downloads-and-sermons/?sermon\\_id=6](http://www.atthebarn.co.uk/downloads-and-sermons/?sermon_id=6)

Cant really find anything else apart from Sermonaudio which I'm sure you have already discovered.

He really is a humble, annointed man. Usually 'hits and nail on the head' when he speaks.
