"To the saints in Ephesus" EPH 1:1

The word "saints" describes people who are called and consecrated to the service and glory of GOD.

They are no more of the world.

They reject its empty and selfish principles.

They scorn its debasing maxims.

They turn from its ungodly ways.

They despise its vain pursuits.

They rise high above its foolish pleasures.

Their one desire is increasing conformity to the image and will of GOD.

They no longer live unto themselves, but for HIM who love them and gave Himself for them.

LET US AIM TO HONOR AND PLEASE GOD!!

LET US WALK WORTHY OF HIS GRACE AND GLORY!!

HENRY LAW
