Prophecies and Revelations received in 2009

“The problem with most people is that they do not know how to weigh circumstances in their life in comparison to others and be grateful for what they have. This is what stops them from being merciful to others.” (See also The Parable of The Unmerciful Servant- Matthew 18:23-34)

“Do not worry if you don’t find or understand what you are seeking now, for different times shed different lights and then you will see!”

26 Dec 2009

God will show mercy in the way He works things out when a person lacks knowledge for the sake of time.

23 Dec 2009

“People go to church and listen to sermons or they hear testimonies to find out the ways of the Lord. But be alert, for what you hear may be correct, but this may also cause you to develop a pre-conceived misconception about God’s workings in your life. Therefore be alert and seek the Lord, for what you know about the Lord may be true, but may not be the way God will choose to work in your life.”

23 Dec 2009

“Be diligent to do what is required of you and what you have authority over, for death is at your doorstep.” (you only have this life to obey your calling)

27 Dec 2009

Be careful not to be distracted by those things that have the appearance of doing the Lord’s work but are actually distracting you from the things God wants for you. These distractions may come in the form of people who seem interested in knowing about the ways of God but who don’t succeed in or want to change their ways!

One morning in prayer I asked the Lord what it is that prevents people from coming to the knowledge of Jesus Christ and being saved?

He said to me “Pre-conceived Misconceptions”. (This also applies to the church who have pre-conceived misconceptions about who God is, and how God works)

The importance about why you shouldn’t hide behind your reasoning and think you are safe there or lean on your own understanding.

“Because there is an invisible element of deception that eludes man even with his reasonable understanding.”

It is the Lord’s mercy that leads Him to be slow and patient with us. He expects His church to show the same patience and slowness with each other.

What is prophecy? “For the testimony of Jesus is the Spirit of Prophecy” It is the direct word from God Himself spoken into the life of a person. This Word isn’t subject to any tradition, Law (even if God initiated) or human understanding no matter how ‘scriptural’ it may seem. The motivation behind prophecy is Love, Mercy and Wisdom.

02 October 09

Those that walk in legalism prevent giving the other person what is rightfully theirs.

03 August 09

Wisdom is the mercy of God for man's limited time on earth.

14 May 09

"There is a particular and vulnerable kind of patience that is needed during God's crucial times, times when the world's salvation is dependent on this patience. It is the kind of patience that Jesus Christ endured on the Cross. For if this patience is disrupted, salvation cannot come!"

13 May 09

There are two kinds of judgment. One that comes from the love of God and one that comes from the rejection of that love.

12 May 09

"The parables of Jesus were not only given to reveal the facts of reality but as a warning to bring those facts to their rightful place."
