Sir,

I do sympathise with you concerning your desperation. But, in your desperation, please either post without the used of godless language, or don't post at all.

As it is, do you spend time in prayer? Do you spend time reading God's word? Who do you trust more, God or yourself?

Besides, your post is somewhat difficult to understand.

I don't doubt there are many here who could give sound scriptural words of encouragement and advice.

But most of all, spend time with God.

Don't look for emotion. Just obey Him.

James 4v8, 'Draw near to God and He will draw near to you...

Either that is true or it isn't. There is no middle road.

And, since it is the word of God, it is true.

Either you accept the word of God, or the words of men.

Hope you understand.

God bless.

Once again, it's unclear what you are saying.

But, keep praying.
