**Worldly Goods - posted by sermonindex (), on: 2010/9/8 8:41**

&#8206;"Much of this world's goods does usually cause great distraction, great vexation, and great condemnation at last to the possessors of them. If God give them in his wrath, and does not sanctify them in his love, they will at last be witnesses against a man, and millstones forever to sink him in that day when God shall call men to an account, not for the use, but for the abuse of mercy." - Thomas Brooks
