I wanted to humbly share this with who ever reads this. I am a teacher that is unemployed but about a month ago I received an email from an acquaintance who said someone was trying to get ahold of me about a job. I called the number and said my name and the lady said, "Finally! We have heard so much about you, heard you were unemployed and think you would be great at this; do you want to interview for it?"

I wanted to thank the Lord; years ago I don't know that anyone would have called with the reputation I had then so now I can only say, "look what the Lord has done!!!" What He has done for me and others, He WILL do for you... "It is no secret what God can do!"

To God be all the glory for the things that He has done!

Thank you Jesus!
