What a blessing! - posted by Beseder18, on: 2004/10/30 23:36

This site is such a blessing. :-)

I've already listened to sermons by Brother Yun and Art Katz. :) I'm looking forward to listening to others by Corrie ten Boom and Leonard Ravenhill.

Shalom to you,

Welcome to SermonIndex~! yes Leonard Ravenhill was the primary speaker I got up to begin this ministry and the message of genuine revival. Also I would highly recommend you hear this message which is the highest downloaded sermon off the site: (<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid282>) Ten Shekels and a Shirt by Paris Reidhead. I am looking forward to hearing more from you in the forums and you sharing how God is blessing you by these messages.
