Greetings from Kauai Bible College - posted by KBC (), on: 2010/11/8 3:44

Hello, my name is Chris King and I am on staff at a small Bible College on the island of Kauai, HI. I am privileged to cont ribute to the forums here and hope to have the time to frequent often (quite busy throughout the week with teaching, min istry, etc). Finally, a couple questions for you:

Have you ever been to the island of Kauai before?

-If so, when and how did you like it?

Did you ever attend Bible College?

- -If so, did you enjoy it?
- -If not, what is your opinion on Bible College?

If you are ever in the area, look us up, our staff would love to meet you and serve you anyway we can!
