Prayer for Pastor Bryan Revor, on: 2010/12/15 22:50

My new pastor is going on a trip to India I think for missions for 2 weeks please pray for his safety on the trip and while he is there and on his way back. He really is a caring man and biblically centered. My church waited for a year before choosing a new pastor, but it is great we have waited. Please pray for him and that the Lord would comfort and lead him. Pray for our church and that it would get on fire for God.
