I am fully behind this project and was blessed to even meet the author of this volume Mack Thomilson who is a tremendous brother and has done this book as a labor of love to the ministry of Ravenhill, a person who he knew personally.

I wrote a commendation for the book:

Since reading "Why revival Tarries" 9 years ago my life has never been the same again. America has had so few prophets and the message Ravenhill gave as those before was mostly unheeded. I am excited to see a volume done on the life of Ravenhill for his life rings out the phrase "eternity!" You cannot listen, watch or read Ravenhill and not be brought into an eternal perspective. "Only one life 'twill soon be past, only what's done for Christ will last. And when I am dying how happy I'll be if the lamp of my life has been burned out for Thee!"
