I have looked through numerous pages of sermons and cannot find lou engle, doesn't look like there is a search engine on here, anyone know?

Well, having watched some Lou Engle, I pretty glad Sermon Index doesn't host that stuff. At least, I hope not :-)

Hello,

Great to see you registered on sermonindex. We are quite reserved on speakers we add to the website that are living. Especially adding many of their sermons. The focus of SermonIndex is primarily on vintage classical preaching from the past.
