Saints,

Today by God's grace was able to update the logo for the SI podcast on itunes! Would love the feedback. We feel it is more clearer and distinct. May God attract more to see the podcast and more importantly hear these old timeless messages and be changed for eternity.

I would be happy for any feedback on the new image and if you have not subscribed to the podcast do so! and share it with friends.

God bless you abundantly for all the work you have put into this website!!

The four pictures are certainly highly reflective of the direction this ministry is geared towards. Two of which I never would have known about were it not for SI. I think it looks great!
