

Welcome & Intro :: My first online sermon heard..

My first online sermon heard.. - posted by jayem, on: 2004/11/20 17:33

Just listened to and read along with the sermon of Ten Shekels And A Shirt.....Good stuff.. Thanks. I look forward to listening to some more.:~)

Awesome brother! just a reminder when posting if you want to reply to what someone said simply click on the "reply" button in that message not a "new tread" button. I found reading along with the sermon is a hidden blessing, I am so happy you heard this powerful message! It has changed my Christian walk.
