### Paula White Breaks Silence on Probes, Divorce, Benny Hinn - posted by sermonindex (), on: 2011/4/2 18:01

Pastor Paula White broke her silence Thursday night, addressing all the scandals that she has been associated with since her divorce in 2007.

"We're letting our hair down," White told thousands at the 2011 Pastors and Leadership Conference in Orlando, Fla. "I'm not here to look cute ... I came to let the devil know ... I'm stronger than I've ever been."

"I came to put every devil on notice ... I'm getting my dream back, I'm getting my prophesy back, I'm getting my vision back, I'm getting my anointing back, I'm getting my strength back." ...

Leave it to Paula White to talk about and focus on herself and not the Lord...she's a woman who divorced her husband why is she preaching. The headline here should be "Church lacks backbone to deal discipline to Preachers". There are earthquakes everywhere, wars in every corner, hatred of christians on the rise, lawlessness .....and we are worried about Paula Whites reputation....avoid the appearance of evil Paula...stay out of Hotels in Rome with Benny Hinn. Jesus is at the threshold of eternity this thing is about to wrap up. You can tell who are His. Their about His business. Those that aint are about their business and will be short of oil in their lamps

Just wondering what your motivation would be for posting this sir. Would you be interested in letting others know why? I won't throw any stones @ ya. I am curious to know why though.

### Re: - posted by Miccah (), on: 2011/4/2 23:22

Well, she shouldn't be in the pulpit anyways.

I would post this because it shows the absolute joke the main stream TBN church is becoming...

### Re: - posted by ccchhhrrriiisss (), on: 2011/4/3 0:04

The rationale behind posting this article may be due to several reasons:

1. The fact that an "overseer" needs to be above reproach and the husband of but one wife. Hinn is getting a divorce and White is already divorced.
2. That overseers should have a good reputation with outsiders.
3. In reference to the much-publicized photos of Benny Hinn and Paula White holding hands while vacationing in Italy together -- even while Benny Hinn is still currently married to his wife.
4. In reference to the fact that Benny Hinn has admitted to having a relationship with Paula White -- but that it has ended -- while Paula White denies that an "affair" ever took place. Of course, an "affair" doesn't have to be physically "sexual" in nature to be referred to as a romantic "affair."
5. The fact that two "prophets" couldn't "foresee" the end of their marriages. Then again, they tend to get a lot of things wrong for people who want to be considered "prophets."
6. Two preachers who had/are having crises in their homes yet refused to step down during times that their families were

e suffering.

7. These two figures are very public individuals who claim to preach Christianity, so their public lives make it "newsworthy" in the eyes of this world.

**Re: - posted by sermonindex (), on: 2011/4/3 0:21**

I posted it so that primarily prayer can be lifted up for this woman. We should be praying much for our leaders in all ministries and churches from falling into sin or any traps of the devil.

Whether or not ministers like this are actually born again of the spirit is an entirely different question.

**Re: - posted by ccchhhrrriiisss (), on: 2011/4/3 1:27**

That is a very good reason, Greg. My wife and I will be praying.

**Re: Paula White Breaks Silence on Probes, Divorce, Benny Hinn, on: 2011/4/3 8:44**

this whole sordid tale makes me sick, literally and in my spirit.

the whole backdrop of these ministries, is just so craven and polluted, full of lust for money, for fame, its all flys counter to the Ministry of Jesus Christ and Him Crucified, Jesus, Who in His earthly ministry, the Lamb of God, who didnt have a dwelling to lay his head, and these cavort as such, putting on vast "shows", like so much "entertainment".

when i read this, i thought of our dear brother Greg Gordon, who posted photos of his new humble garret in Ottawa, a simple room, his bed, his desk, his books, a chair to sit in, and i blessed God for you brother, the humility and meekness to follow God and to be content as Paul says in 1st Timothy with food and clothes...and much like a good rabbi, pastor, worm of Messiah, you have your books and Bibles neatly stacked, ready for study.

that really made me happy, it blessed me, and when i look at these two totally different examples of ministry, the contrast becomes so stark. My brother Greg, always laboring in the strength he has, content with what he has, and then i consider the other end of the spectrum, the article that has been posted, with its emphasis on lust for gain, the jets, the mansions, the cars, just stuff that will BURN....and what model to follow becomes so CLEAR, you dont even need discernment, just a healthy fear of God.

i was thinking and pondering this all last night, brothers, sisters, i'm a very good actor. i dont say that to boast, because that is a gift God gave me, along with a facile pen. i'm done with it all now, and ready to move on for what Jesus has for me to do next.

...and believe me, i could get up in that pulpit, or on a stage, and put on, a mighty good show, but you know what? as i dumb as i might be i'm not stupid, because i fear God, a reverential awe of God i have, Praise His Name, because i would never play games with the Deep Things of God, i love my Father too much to engage in such without a Calling from Him, i love Jesus with such a passion, that i would never denigrate His Shed Blood, by putting on "religious shows" and antics, to get fame and money.

**IT POLLUTES THE GOSPEL!**

i might be a terrible sinner, only justified by the Blood of Messiah, at times disobedient, but i can safely say that God the Holy Ghost told me, "that you are a man after My Own Heart", but that sure doesnt mean He's given me release to stand up in front of tzadiqim, the saints to teach and rightly divide His Word. it would be a sham if did, because my wife divorced me, and that disqualifies me.

(believe me, i'm praying that someday we will remarry, because i love that dear woman, wife of my youth, mother of my son, my dear friend, and thank God even to this day, we are very close, but in my foolishness I RUINED THAT MARRIAGE, and the tears i shed over that, would fill buckets...so young men, treasure your wife...Today)

i'm sorry to go on as such, i'm just testifying. Does my disqualification mean i cant have fruitful Labor in Jesus?

by no means, there are other Labors, other Ministries i can do, which i will not bore you with.

far as Paula, or Benny, or TD...God have mercy on them, they know not what they do, and if they DO, i shudder, eternity is like ...forever. And as you all know well, there are two places to spend it, Heaven or hell, with the Lord, or without the Lord.

you don't play games with "strange fire", you dont play games with God, you will get smoked, thats a given.

in Jesus' love, neil

(later addition)----and Greg, i always pray to God the Father and the Lord Jesus Christ, that you stay low, humble and meek, that He gives you the steadfastness and Faith to armor up and not be seduced by the ear tickling (but well meaning ed) praise of man, and i have every faith and confidence, that these prayers ascend to the Throne of Grace. i love you br other...n

God gave us all a free will, and we are personally responsible and will be held accountable for how we use it at the Judgement seat. I do not condone what anyone does that is sin, also I will not be standing in their place at the Judgement seat. There is lots of the "Benny and Paula" stuff going on in this world, they sure don't have any patent on it.

The Word say's "For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places". What we all need to remember is, God is still in control, he could take away everything Benny and Paula has overnight if he wanted to, our job is not to concern ourselves with there wealth or popularity, our job is concern ourselves with there souls, to keep them both in Prayer, stay focused on getting the evil spirits within them to move out, and only Prayer can do that.

When people are sick, you pray for them to recover, when people are spiritually sick you pray for them to recover, talking about them and all they have and what their doing, will not heal them, that will only make those evil spirits happier. If you really want to help the lost Brother and Sister here, Pray, it's the most powerful weapon we have in our arsenal, if you want to continue to feed joy into the evil spirits that surround them, just continue to talk negative about them.

Hello all,

I use to be one of those that would immediately judge and do harsh mental and verbally flippant crimes of self righteousness toward such people. Well, NO MORE!!!!!!

She and Mr. Hinn need the Lord, at least what we can do to pray, no matter how feeble or difficult our prayers would be for them. If we are weak because of what some of us perceive them to be, then we need to ask a comforting and prayer answering God to help heal and mark them on the right track....

point blank, we too are filled with serious flaws and constant mistakes. So are our mistakes or sin more forgiven or worthy of remission than theirs. I believe and I think not.

Where sin abounds, grace is awaiting all the more.

C'mon saints of a just God. It isn't that we can't think of how "watered down" their proclamations of the gospel may be, but forgiveness and lovingkindness are of the Lord.

God bless

Amen! Brother, back in the late 50's going to church as a child, I remember our old Baptist fire and brimstone Pastor at our Church say "You have never been beat up until you have been beat up by your own Christian Brothers and Sisters" I think he had a very good point that I am seeing more clearer 50 years later.

To discern is right and leads to life.

To judge is wrong and leads to death.

Amen Brother Greg, we need to be praying for all. So, mature saints, let's pray. Never know when things may happen to us and we fall. Good to know others would be praying for us. He is faithful. Amen

Also sister, I would contend that we have all fallen in various ways that are equally sinful just not in the limelight. Though there is an importance for not sinning in certain ways including in ministry there is grace for everyone because we have all failed the Lord in so many ways.

What measure we meet it will be meted back to us. Grace Lord!

**Re: - posted by Yeshuasboy (), on: 2011/4/3 15:54**

I'm glad you feel this way Mr Gordon. May God continually bless your ministry that it bear much fruit. I, for 1, think myself to be worse than all such sinners. I deserve hell, plain & simple. Sometimes though, I do have the flesh rise within me, & realizing it is too late, I have had a judgmental thought spring up from within me, & proceed out of my mouth. There is much self within me to be continually kept on the cross. May you pray for me dear brother, that God be manifestly present through my life? To God be the glory.

**Re: - posted by Joyful\_Heart, on: 2011/4/4 12:22**

Amen! And I, for one, cannot point the finger at anyone for anything. I am aware of what is covered by the Blood of Jesus in me and it keeps me at His feet always with a thankful heart of love and adoration. I love Him because He first loved me. All glory to God.

let me say this also Joyful heart,

U r on point, to discern is right, but what do we do or what are we suppose to do with what we discern?

boy, r our hearts wicked! just a thought

I just think we continually spend a lot of time looking at others, hey, just as a habit, not because we are just looking for someone to judge and condemn....

Good thing judgment and condemnation are out of my hands, so let us spend more time appreciating life, liberty and the pursuit of the absolute joy of Christ instead of being on guard perse to watch over Christ's church, He is capable and can do a better job that any of us can.

Don't get me wrong, we are to be on watch, on guard sort of speak, but lets me anxious for absolutely nothing, but to pursue a prayerfulness and have our requests made know.... Make your requests known

**Re: - posted by Joyful\_Heart, on: 2011/4/4 19:05**

ManofGod!

When God gives us discernment it is to pray.

He will give us the heart & words to pray. He has been giving me His heart and eyes and it helps to break my heart for people and causes me to pray and not to judge. I have not always had His heart and still need so much more.

At least that is what He has laid upon my heart. Giving Him all the glory.

Amen and amen brother! And amen to what everyone else said that is in agreement!

David wasn't guarding his heart while enjoying his riches bored and looking for something to do and spotted Bathsheba on a rooftop.

It's plain that that Benny and Paula were not guarding their hearts either but before we rip them to pieces and tar and feather them we had better make sure that we are not dabbling in a somethin' somethin' we're not supposed to either but instead make sure that we are "guarding our hearts."

The heart is deceitfully wicked, who can know it? Your heart and my heart are deceitfully wicked and if we don't keep an eye on it and guard it, it will get us every time.

God have mercy on us all,  
Lisa

PS: Did anyone listen to John Mulinde's message? Excellent message.

And one wonders why we do not see revival in the body of Christ.

**Re: - posted by ginnyrose (), on: 2011/4/10 23:09**

As I consider the problem of Hinn and Paula, it did not just start with that episode in Rome. It was a-long time a-coming. If one would have been aware of their past, their doctrinal beliefs, their lifestyles, one would not be surprised at all with t his revelation of wrong-doing.

The tragedy of it all is that many American Christians are enablers with them. They finance their apostasy, making them very comfortable physically, and emotionally, feeding their egos. And brothers and sisters, this is sin. God's word has str ong words to those who delight in these people.

Romans 1:29-32:

29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, deb ate, deceit, malignity; whisperers,

30 Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents,

31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:

32 Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, bu t have pleasure in them that do them.

We must be ever vigilant. If we are not we will soon become their justifiers and in the process open the door a tiny crack through which the devil will gain a foot hold. This happens all in the name of tolerance and/or forgiveness without repent ance. Luke 24:47-49 NASB:

47 and that repentance for forgiveness of sins would be proclaimed in His name to all the nations, beginning from Jerus alem.

48 "You are witnesses of these things.

49 "And behold, I am sending forth the promise of My Father upon you; but you are to stay in the city until you are cloth ed with power from on high.

Let us prayerfully consider who who we justify, support with either words or finances lest we will earn the judgement of G od upon us. This is serious...
