

SermonIndex Support :: PM problem ??**PM problem ?? - posted by mama27, on: 2011/4/6 22:58**

I don't know if there is a problem, but I have not been able to get the reply to come up on PM's since probably 3 or 4:00 this afternoon. I have been trying all evening. Just thought I should let someone know....

I would recommend logging out and then logging back in and also clearing the memory and cache on your browser and even resetting your computer.

Trust it will work for you.
