SI Simulcast Live Event Announcement - posted by sermonindex (), on: 2011/4/21 23:24

Brothers and Sisters,

God has opened doors for us to have a Simulcast Live Event in Atlanta, GA October 21-22, 2011. All the details for this event will be posted soon. We are still confirming 2 of the speakers.

The Simulcast Event will be live in Atlanta, GA and then broadcasted live to over 50+ (campuses) broadcast locations all over North America, as well as into individuals homes via webcast. We are also looking into some open doors towards having it on live TV also.

We are very excited about the doors the Lord is opening for this live event and how God will use it to speak to the church a strong biblical prophetic word in our day of great need in North America christianity.

Once the event is made live on the website with all the information you will be able to register in your areas to attend and also be able to sign up to host the simulcast in your area.

We are putting a strong emphasis on prayer in the leadership team as well as publicly. We hope you feel led to get involved in the conference call prayer meetings leading up to the event:

Greg,

Is this set in stone yet? I'm going to add it to my Google calendar which will add it to a new site that I'm developing and I wanted to confirm it first.

Thanks bro!

Hello Brother!

Are you considering having any music there? Please let us know if there is a way to "submit" testimonies and sample songs for consideration if you are.

(You have 3 of The Antunes songs on the Godly Music section of SI)

We have been greatly encouraged by the ministry of SI and would feel privileged to contribute to this awesome event!

Let us know brother,

The Antunes

Dear sister,

At this point we are not having any special music and all organizing a worship leader to sing mostly just hymns at this point. Thank you for your gracious offer. I would love to see you at the event in Atlanta, GA to fellowship and meet y'all. God bless.

Amen! :) I hope to hear you guys on the prayer calls. Also do consider you could in your local area setup a broadcast location for the event with a local church there. Blessings.

Brothers and Sisters,

We are looking people to volunteer in many ways for this event.

1. Live in Atlanta, GA (Oct 21-22) to help as greeters, registration, photographers, video media, and many other helpful tasks.
2. To answer questions for registrations and churches to become simulcast locations ie your contact info on the registration page.
3. to get your local church to become a simulcast broadcast location.
4. join in the conference call prayer meetings: https://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id=38621&forum=16&1
