Hey everybody, I'm creating a line of evangelistic Christian tee shirts that can be worn by people who want to share their faith. This is for the glory of God that the gospel might be made known. I wanted to share this here in case anyone is interested and just ask for prayer and if you know anyone looking for something like this to forward them the link...

Also, if anyone has any ideas for shirts that would communicate the gospel, feel free to share them! God bless you all! :)

Great designs and covetable passion for the gospel. I'm believing with you God can still pull this off. Don't be discouraged.
