Hello everyone. I have been asked to introduce myself so I will try. I am a follower of Jesus Christ who is looking for an online community of believers to fellowship with. Sermonindex has had a huge impact on my spiritual life with the written sermons. The audio versions have meant so much to me because I am able to hear the true declaration of God's Word from so many faithful men of God. The discussion forums are intimidating but I am looking forward to sharpening and being sharpened by my brethren. The Lord has been so kind to me. Not the least of which is guiding me to this place at this time for purposes yet to be seen. Please pray that I may be a blessing to this sight and not a burden. I will try to post with prayer and give the grace that I have been given by the Lord.
